### About the Artist:

Oakland based artist, Jeffrey Cheung, is gaining fast traction as a young voice for QTPOC culture through his expressive and gestural visual language. Under the moniker 'Unity', Jeffrey celebrates queerness through many outlets including skateboarding, music and zines and aims to build community for those who have felt marginalized in those cultures. 'Unity Skateboarding' for example, is a community based project co-founded with his partner, Gabriel Ramirez, which has helped bridge a gap to make an activity he is passionate about, more inclusive and welcoming to the queer and trans community, women, and people of color.

His work has been featured in *Juxtapoz Magazine*, *Huck Magazine*, *It's Nice That* and *Giant Robot*.
